Subject: 4th quarter 2013 discharge data for the former Intel Facility
[mv_13Q4dischg.pdf](#)

Hi Alana-

Attached is the 4th quarter 2013 discharge letter which contains the monitoring results (200 gallons was discharged in October 2013). This site only discharges approximately once/year and usually only about 200 gallons at a time. I will send 2012's data as well.
